

VHP APPROVED

Each of the N4L compounds and combinations of compounds in our product line are approved by the VHP mandate. The VHP program is law not guidance, since 2017 learn more: <https://bit.ly/3QfLH>

MONOGRAPHED

All compounds have been monographed, including safety/efficacy dossiers to support product claims and abide by the revised Food and Drug Regulations (FDA).

TESTIMONIALS

Testimonials Equine

"Used hoof blend - Heal it on our horses hoof as we are in a damp area and its a big problem. Within 3 weeks we were able to put a show back on the horses hood - "

Stables Vancouver

"Used many fly protectors and this works and is totally natural"

Siana Florida

Was given the box set and very impressed with the line, look forward to distributors getting it far and wide

Joanne WPB

"Like the hand sanitizer - could be sold as a separate line"

Charles Florida

"Rubbed it deep into tendons after good afternoon ride, good for me and my horse seemed calmer"

Elane USA

Sprayed calm down on my hand and got our horses to breathe it in. Amazing, the horse simply dropped its head and relaxed. Told to spray around trailer when travelling with them. Love its organic natural and safe.

Doug Interior BC

Testimonials Dogs

Our Dog had surgery and the incision looked quite red - by putting this product on it help significantly - Using Heal It

Frank Mission

Our puppy kept scratching itself and by adding the Protection remedy blend we saw a big improvement in softness and less scratching - Swift is certainly happier

Jenny Maple Ridge

"Simply put my ant infestation disappeared - and did not return after using the concentrated Protection +

Kerry Fraser Valley

"After a fungus infection for two years with nothing working - Heal It! did the trick in two weeks - what's in this stuff?"

Lynda Quenel

"Our aging dog can't seem to get around to scratch lick his back, we have been using Fix it! rubbed along his spine twice a day, he seems to moving better and wanted to let you know"

Paul Abbotsford

"Fleas were bad this year so we used the protection spray each week on and around the animals in our house. It certainly made a huge difference"

Angela

"I had an ant infestation and spraying quite liberally the concentrate it removed the ants within 48 hours. they weren't dead they actually moved on - hope our neighbours are OK..."

Pedra Vancouver

Testimonials Weekend Warriors

"playing lazer tag - and took out my head on the stairs - blood everywhere - used spray stopped bleeding and reduced size of welt on my forehead - used it every 30 minutes or so for a day that is all"

Kelly Mission

"4 Days after a car accident thought I would go to therapy - used the lotion to bring down swelling and in 4 days I was as good as gold and no doctors"

Marlene Surrey

"Sprayed the kitchen with concentrated Protection Plus to make sure the kitchen was disinfected - bit of a germ phobe and this puts my mind at ease."

Tracey Vancouver

Had a stupid cough and rub the spray on chest and neck at night and in morning and it did the trick

Robert Tri Cities

"had a bad back for years, with a degrading disc from sports so I rub along my spine and lower back twice a day, and I can move better and it heats up area feels good"

Peter Surrey UK

"As a chiropractor my hands have arthritis and using Fix it worked so well and I was using it to rub into my husbands sore back (yep that worked as well too)"

Jerry Vancouver

"Fleas were bad this year so we used the protection spray each week on and around the animals in our house. It certainly made a huge difference"

Angela

"Get Migraines and I was told to try the lotion and it works, pretty cool."

Stan Vancouver
